

Hale@home has been the flagship boarding transition programme in Western Australia since it began in 2013.

in WA, using technology to bridge the gap between students living in rural/regional areas and their future school.

WHAT'S INCLUDED IN THE HALE@HOME PROGRAMME?

In summary, Hale@Home offers future boarding students:

- › Interactive weekly online sessions the year before boarding.
- ›

WHY DO HALE@HOME?

The main aims of Hale@home are to:

1. **Connect** with other future boarding students and with Hale School.
2. **Engage**
3. **Progress** with the use of technology and increase their optimism about their transition to Hale School.

interactions.

Parents also enjoy being part of the Hale@Home community, sharing the journey to boarding and feeling they are part of a team preparing their son for life at Hale School.
